**Class Descriptions:**

**IN-Studio** - Athletes can count on a safe workout space. Class size is limited. Face coverings are required along with cleaning protocols. Our workout programs are performed in our own “zones”. Refer to the Fitness level key for appropriate level. Contact Jennifer to reserve your spot!

**ZOOM** - Join us from the comfort of your own personal home. Contact Jennifer for a zoom invite and password. Things to gather for your home workout space include: mat, towel, various dumbbells, stretchy bands, stability ball, mini ball, chair & step. We do not use everything in each workout....but it’s good to have these items available.

**New Foam Roll & Stretch** (Special Edition class held for a temporary time) )Join me as we foam roll-massage the entire body to break-up and release tense muscles and fascia. Areas included are the upper back, neck, hips, legs, & shoulders. Gentle stretches to encourage natural, full range of motion of our joints and muscles will also be performed. ~ You’ll be a changed athlete after this hour!

**Full-Body Strength** Strength training exercises that target different parts of the body with little to no rest between exercises. Each workout offers variety and strives to get all the major muscle groups working together: the abs, hips, legs, back, and arms for maximum body movement.

**Integrated Flexibility** From your neck, to your back, to your legs, glutes & more... Stretching is essential for strength, muscle balance, tension, stress & daily routine performance. Active & static stretching as well as flowing yoga movements are included. No need to be flexible to join this class.

**Outdoor Intervals** the group meets at various locations in Decorah. See schedule on front page. We walk & hike the Decorah Crater hills & trails - in sunshine, snow, & sometimes rain! We cover approximately 3-4 miles in an hour. Dress appropriately for weather, footwear, and movement. Join us!

**Young at Heart** - This class is part of a healthy lifestyle that builds relationships, as well as, stronger joints & muscles --- better fitness!

- a. **Full-Body Strength (In-Studio or ZOOM)** - Large variety of movements for muscle & bone strength: upper body, hips, legs, ankle and core. Movements are performed standing or on the floor using a variety of tools from dumbbells, stretchy bands, body weight, stability balls, medicine balls, etc. . Face coverings are required along with cleaning protocols.
- b. **Walk Outdoors** - the group meets at various locations in Decorah. We intersperse walking with body-weight strengthening and flexibility. The distance is approx. 2 miles. See schedule. Dress for the weather. Have a water bottle ready when we are finished.

**Silver Fitness** (In-Studio or ZOOM) - Modified movement for seniors and individuals with special needs. Our mission is to strengthen muscles that help with posture, balance and mobility. Movements are performed seated and/or standing with hand weights, resistance bands and rubber balls. Participants can count on a safe workout space. Class size is limited. Please contact Jennifer for availability. We perform all movements on and around a chair. Face coverings are required along with cleaning protocols. Movement, range of motion, and friends! Join us for a great combination!

**Pilates Mat** with Bridgette Mitchell - call or text 563-419-0269. Email: [pilatesfusion.bridgette@gmail.com](mailto:pilatesfusion.bridgette@gmail.com) STOTT certified. The foundations of Pilates are beneficial to all fitness levels. Pilates increases flexibility & strength of core muscles. It decreases pain in the neck, shoulders, back & hips. It improves posture, confidence & energy levels. Classes are offered IN-Studio and/or ZOOM as well as Individual appointment options.
